Hymn - Of God a heart - to

Believing true & clean -

Sermon - Prov. 11. 23 -

1. Sowing of seed - source  
 of life are from heart -

Bible deals more with  
heart-of man than with  
any other subject - a  
polluted source from wh.  
flow all polluted waters -  
a treasury of evil wh.  
in the issues of life  
is put out - at usury &  
increases mightily.  
temptations - opportunities  
seductions - only for  
the flame already kindled -  
2. Duty to keep - in order  
to keep a man must  
know - Sin, a science

to be studied experimentally  
with the data a man finds  
in his own heart - The  
envy, jealousy, hatred, spite,  
bitterness, meanness wh.  
each one of us will find  
within - wh. will come  
into action in each of us  
if we consent - wh. if our  
best-friends knew they  
would shrink from us.

Perfection - holiness. The  
words seem to mock us -  
the almost the best of us  
can reach is to spend the  
unclean thing in the second  
moment. In the first, the

heart has received it  
gladly - envy, hatred  
lust - selfishness  
A man who keeps his  
heart will battle with  
these as they appear. But  
no man has a heart  
not-prone - hence the  
power of temptations  
wh. felt powerless upon  
one whose heart was clean.  
3. With diligence - with  
all diligence - much  
more easy to sit down  
& say with the Lord yesterday  
to keep the feet of his saints

Have we not a captain  
of our salvation in whom  
we trust? - but what  
soldier is to shew the  
most real trust in his  
captain. The man who  
reflects to keep the breach  
before his own house. wh.  
has been made his charge,  
& says. The Captain will  
see to it - or he who  
says. The Captain will see  
to all else, & to the end -  
I will keep to the death  
this breach he has set me  
to guard? Young men,

with noble, imperious  
impulses. take this to  
yourselves - ask yourselves  
who is he that most  
feels his own helplessness -  
most depends on Christ's  
help - is it not he who  
thru' the week has with  
most diligence kept  
his heart?

Prayer - hymn -

Baptismal Service -

Minister sits in  
pulpit - Child with  
parents beside pulp.

Address. Baptism

A washing - But carrying  
an inner signification - here  
a sacrament - As water  
cleanses the body - the  
blood of Christ cleanses  
the soul. & to make the  
baptismal washing a  
sacrament, there must  
be part in the cleansing  
blood. Then exhortation  
to them & all parents  
on privilege & responsibility  
of baptism - Then child  
first sprinkled from  
bowl placed to pulpit  
saying in name of F. Son & H. S.  
& Amen. Then prayer  
& closing hymn?
